Aiko

Aiko is our way of doing comfort. A space you can settle into – for long dinners, quick bites, or just a bowl of something warm that hits right. The food pulls from across Asia, but we cook it the way it makes sense to us. No rules, just good food made with care.

Sister Restaurant

From the people @pizza.capiche -
Neighbourhood pizzeria serving 15" hot pies and casual Anglo-Italian favourites.

Price is not inclusive of tax. Proudly vegetarian. Entirely delicious.

@aikomfort
